

Dear Industry Member,

The Young Pipeliners Forum (YPF) was established in 2006 for the benefit of the pipeline industry. The industry is growing and ageing and the YPF provides an opportunity for younger members to network, learn about the industry and professionally develop.

Last year the Victorian branch of the YPF organised a mentoring event, site visit to learn about refineries and gas processing and speaker nights. Previous sponsors have included Peter Norman Personnel, Nacap, AGIT, OSD Pipelines, Sargent and APA Group, Inductabend and Tenix.

The committee needs industry support to encourage its younger members to get involved. By providing sponsorship, it will ensure continued delivery of events. The following events are planned for 2012.

February TBA	Lawn bowls  Networking event and bowling	One sponsor \$650 Provides venue hire, food and drinks.
April TBA	Speaker Night	One sponsor \$550 Provides food and drinks.
14 June	Mentoring event before the APIA Melbourne dinner. A high demand 'speed' networking event or golf mentoring event	One sponsor \$750 Provides room hire and drinks. May require attendees to pay a small fee if golf is chosen for the event
TBA	Hot tap site visit	Two sponsors \$550 (total \$1,100) Provides transport and lunch
September TBA	Speaker Night	One sponsor \$550 Provides food and drinks.

November	Winery Tour	Two sponsors \$550 (total \$1,100) Provides transport and lunch
----------	-------------	---

The Vic YPF committee would like to thank you for your continued support to developing the industry. If you would like to sponsor an event or would like further information, please contact Tim Vesey at tim.vesey@cncprojects.com.au.
