BEWARE OF SNAKES

General reminder to all personnel that with the weather becoming warmer, Snakes are on the move.

Five have been reported over the last 6 weeks in separate instances around the Jandakot depot and out in the field, both north and south of Jandakot.

Contributing Factors:

Weather.

Local action taken:

Safety Alert for general broadcast.

Do not attempt to catch a snake unless you are trained to do so.

If bitten, do not panic. Place a dressing over the bite site, then apply a pressure bandage and immobilise the limb. Seek medical attention.

ZERO HARM Learning's:

Caution to be taken when in the field and around the Jandakot Depot.
